## Other Misc. Information

### **PARENTS VISITS**

Parent visits during the school the school hours are welcomed and encouraged. There are many opportunities during the school year for parent to help in projects and field trips. Sometimes it can be very helpful all around to plan your classroom visit with the teacher, but of course you are welcome to visit at any time.

### **PARENT/TEACHER CONFERENCES**

Teachers will offer parents conferences on an annual basis. Your child's teacher will observe your child assess level of development prior to the conference. Conferences are your opportunity to sit down with your child's teacher and discuss your child in depth. The teacher or your parent can request a conference at any other time throughout the year if there are any special concerns.

### **CONFERENCES**

Parents-Teacher conferences are held in the Fall and the Spring and at other times if requested by the parent or teachers. Conferences are a time when information concerning the child's ability, needs and progress can be exchanged. The faculty is also available for additional conferences throughout the year at the parent's request.

Since it is necessary for the teachers to devote their time during the school to the children, we ask that you please set a conference appointment if you need to confer with the teacher at length.

## Arrival and Departure during school hours:

### **ARRIVAL**

The Promise Land Preschool opens each weekday at 6:30 a.m. An adult must escort to and from the classroom all children. Parents need to allow enough time to assist their children in hanging up their coats, bringing them into the classroom and signing them in for the day. We request that all children arrive by 8:00 a.m. so that they may take full advantage of the entire morning program.

### **DEPARTURE**

The Promise Land Preschool closes each weekday at 5:30 p.m. Children are to be picked up at the agreed time. Parents should make staff aware that the child is leaving and sign the child out for the day. It is best to notify the Promise Land Preschool if the parents will be late so the child does not feel abandoned.

If someone other than persons on the "Authorized Pick-Up List" is to pick up our child, a written, signed note should be given to the teacher at the child's arrival.
