Dear Kum-Ba-Ya campers and families,

This summer, instead of traditional in-person camps at Camp Kum-Ba-Ya, our advisory team, directors and staff are at work right now creating a fun and meaningful virtual experience called Camp Zoom-Ba-Ya!

Like our summer camp programs, our virtual camps will be designed for the various age levels (grades 1-12) around the theme "This is Our Prayer." You'll see familiar faces and places through our online connections and activities—all from the comfort of home! Through Bible stories, video conference gatherings (where age appropriate), off-screen activities, and spiritual practices, we will be teaching our campers about living a life of prayer from their homes that will help them discover a deeper connection with God.

Detailed virtual access information will be sent directly to you closer to your camp's dates. Our virtual Camp Zoom-Ba-Ya registration form offers two options for your campers:

- 1) The Full Registration (\$20) that comes with this year's special camp t-shirt and keychain shipped to your door, access to all of the online opportunities for your age level, and the camp e-newsletter, or
- 2) A Virtual access only (\$10) that grants you access to the online opportunities for your age level and the camp e-newsletter.

Please mail your completed registration form with a payment to CCK-West Area, PO Box 1332, Madisonville, KY 42431.

Gifts from individuals like you are an important part of KBY's financial support, so if you are able, please consider giving to support our camp this summer. The registration form provides a spot for donations, or you may give through Givelify and other ways at the "You Can Help" page at www.campkumbaya.org. If you have any questions, call our Camp Program Manager, Glori Cope, at 270-821-1332.

Plus, our hope and prayer is that the fall will offer us opportunities to meet face-to-face again around the campfire by the lake at Camp Kum-Ba-Ya. We'll be posting about youth and other retreat opportunities soon.

One retreat for you is already on the calendar! This is the tenth year for the annual All Y'all Retreat, and it's a proven good time. It's a programming-light weekend that mostly takes its own shape and tone over the course of the time we are together, depending on the personalities who happen to be gathered. We all pitch in where we want, can and are needed on cooking, cleaning and leading activities. There's down time, there's up time; there are loud moments and quiet moments. We come in groups from churches; we come with our families; we come by ourselves; we come with friends from other denominations or with friends with no church home—and then we see what God does with us and our time together. It's great. Plan to come Sept. 11-13, 2020 at Camp Kum-Ba-Ya. The registration form is posted on the "Just Forms" tab at <http://www.campkumbaya.org>. We hope to see y'all there.

Another way that your family can be a part of Camp KBY this summer is to help us complete some summer projects. If you have the time and talent, consider scheduling a day that you (or your family) can come to KBY and volunteer some elbow grease. If you need more information about projects or have special talents to share, please contact Susan Roberts (susanr721@gmail.com) or the West Area office for more contact information.

In the meantime, stay in touch with our office at:

ONLINE BETH MOORE BIBLE STUDY BEGINNING MAY 18TH - 11AM

This 8-week interactive study is for personal study and group discussion for the women and friends of FCC – with weekly videos about James, a brother of Jesus.

James started out as a skeptic. See how one glimpse of the resurrected Savior turned an unbeliever into a disciple. Bible scholars compare James to the prophet Amos. In other ways, James more closely resembles the Book of Proverbs than any other book in the New Testament. Topics in this study include: joy, hardship, faith, Reversal of fortunes for rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer. Each person makes the decision as to what level of commitment they would prefer to make (and there are 6 to choose from).

There are no tests or grades!

Facilitated by Susan Scott and Sandy Cunningham
beginning May 18, 2020

A variety of platforms will be used to try to meet the needs of all participants regardless of their technology skills (small group Zoom meetings, phone conferences, online group chats). Please contact Susan or Sandy for further information. Do not hesitate to ask questions or voice concerns and make suggestions. Books (\$20) need to be ordered soon so do not wait!

We hope you will choose to take this journey with us as we explore and stretch our faith.

Individual Participation Levels

You choose what you want to do and to what depth!

- 1 Watch the videos only
- 2 Complete the 5 daily lessons each week
- 3 Handwrite the book of James (space provided in the back of the book)
- 4 Read the articles, The Next Level with Melissa (Beth Moore's daughter) included in the book
- 5 Memorize the book of James
- 6 Participate in small group discussion using the platform you feel works best for you

It is highly recommended that you select one of the small group discussions in order to get the most out of this bible study.
